GREAT BRIDGE SCHOOL

HICKORY SCHOOL

NEW BUILDING

The year 1947-1948 shall always have a tender significance to the students of Great Bridge-Hickory High School. It shall be in the memory of all as the year of the new building. From piles of brick and cinder block, from wheel barrows of mortar, from frameworks of steel, the building is rising with graceful sturdiness. The soul of the structure is being created out of the minds and hearts of those who plan and visualize. We watch with anxious eyes as the building reaches into the sky bringing to us the glorious promise of the future.

It is to this building and to this future we dedicate our TWOSOME.

IN MEMORIAM

On National Teachers' Day, March 5, 1948, We lost one of our teachers, Mrs. Betty Whitehurst Parsons, whose nobility of character, perception of value, and devotion to service with us for many years shall be remembered.

Although her death came after the yearbook copy had been sent to the publisher, we should like to dedicate this issue of THE TWOSOME to her memory.

SENIOR CLASS

The Senior Class of 1948 has the distinction of being the first group to graduate under the consolidation movement started last year. We have successfully destroyed the barrier of two schools miles apart and have found unity in cooperation and good fellowship. The class is proud to have played such a vital part in a consolidation that will benefit those who are to come.

Working steadily under the able supervision of Mr. Guy Hall, the high school band has shown definite improvement this year. The organization began rehearsals with a relatively inexperienced group, but practice has had its reward. By the last part of the football season the group was able to perform at several games and to receive the plaudits and appreciation of those present.

The band is working today with an eye to the future. They are visualizing beyond this year's Spring Musical Festival to the coming years of bright uniforms and snappy drill formations. They are faithfully laying today the foundations for the bands to arise in the future. The students and school supporters can be proud of its band.

CHEERLEADERS

Kneeling: Paige Gray.
First Row: Sophronia Pratt, Frances Eason, Dorothy Carawan, Marlene Garner, Virginia Lee, Lois Roberson.
Second Row: Marguerite Williams, Estelle Swain, Charlotte Ansell, Eleanor Thomason, Frances Ridgewell.

When the going gets tough and spirits begin to falter the margin of victory falls in the capable hands of our cheerleaders. Led by Paige Gray, the group brought hope out of dispair with resounding cheers swelling in unison upon the night air.

There were no headlines for this team or mythical "all county" honors, but to us who know they are our "All Americans."

FOOTBALL

Paced by a strong line and fleet backfield, the Great Bridge-Hickory football team fought through the greatest season of its history. Making up the lack of reserves with fight and courage, the team surged its way to the County Championship and a comfortable position in the upper division in the Group II standings.

After losing a heartbreaking opener to a heavily manned Cradock eleven, the GreatBridge-Hickory charges rebounded and defeated all County opposition on its schedule. The teams produced a powerful offensive generating out of the single wing and obtained greatness in defense.

All County honors were shared by Matt Hudgins, Jimmy Gower, David Doughty, and Linwood Hudgins. Halfback Matt Hudgins received further honors by being placed on the second team of the mythical Group II All Star eleven.

To Coach Ridings and his gallant boys go the admiration of all their faithful followers.

The 1948 season was not a particularly successful one in the win and loss Column for the Great Bridge-Hickory quint, but there were highlights to brighten the situation. Three of the games listed as defeats were lost by the margin of a field goal. The club produced a fighting spirit and remained a threat throughout the season.

Matt Hudgins was high scorer for the team with 230 points.

The 1948 season was not outstanding for the girls, although they played some exciting games. This kept the spectators on the edge of their seats. Even in defeat the girls looked good, and they were never outplayed by many points.

The play of Joyce Warren was outstanding for the Great Bridge-Hickory cagers.

BASEBALL 1947

The Great Bridge-Hickory nine opened the season with an impressive win against Creeds. After the opener the lack of experience was the primary factor leading to a losing streak. Confidence was gained with each contest and the club became a threat. On May 2nd the team stunned local baseball circles by upsetting a highly favored, league-leading Broad Creek combine.

Coach Ridings with his program of constant practice and teamwork saw his team improve and win. To him and his boys we tip our hat.

SOFTBALL 1947

The Girls' Softball season got underway with great enthusiasm. Although few games were scheduled the girls did very well, showing splendid spirit and good sportsmanship.

The team was ably coached by Mr. Thomas whose untiring efforts developed a club that was feared by all opposition.

PATRONIZE OUR ADVERTISERS

Sometimes it is the nature of a craft to create an unbreakable tie between itself and the worker in that field, a heart attachment equal to lifetime devotion. One familiar example is PRINTING. Once editor, once compositor, or pressman catches the spirit of the shop, the spell is seldom broken. Like the odor of a camp fire, or a whiff of salt air, the beloved tang of printer's ink, symbolical of a great profession, gets into your heart and soul. School Annuals, Magazines, Newspapers and Special Printing, all smack of it. It is an invisible link that binds all intelligence together. It is the stimulus for creation in business or romance. This craftsmanship, this devotion to service and alertness to business needs, has nourished and developed enormous industrial vitality and whichever way the course of the future runs, the printer will always find himself able to adapt his helpfulness to new opportunity.

YEARS OF EXPERIENCE HAVE TAUGHT US! PRINTING PAYS US ONLY WHEN IT PAYS YOU!
